

How God Has Wired YOU To BEST Serve Him!

I am so thankful that you have decided to take this journey with God, to go deeper with Him in learning about how He has uniquely designed YOU to best serve Him!

In this packet you have some great information to help you discover your Spiritual Gifts, your Core Values, and your Past Experiences, so that you can find your "Chazown" (God's Vision) for your life in serving Him!

Please take some time to fill out the following:

- Spiritual Gifts Test – please take the test, and then write your Top 5 Spiritual Gifts on the last page of the Spiritual Gifts Test Packet.
- Core Values – This is a list of the things you deeply value and prioritize in your life. I suggest that you circle the ones that jump out at you, and then narrow it down to your Top 5 – 10 core values.
- Past Experiences – Identify the People, Events, & Circumstances that have most affected your life. These could be jobs, positions, leadership opportunities; volunteer roles that bring you joy or energize you. It could also be a circumstance that happened in your life that you might not have chosen, but that God will use to help encourage the people you will touch in your life. (Divorce, death of a loved one, loss of a job, etc.)
- Putting it all Together – Put your Top 5 Spiritual Gifts, Top 5 Core Values, & Top 5 Past Experiences down on the "Putting it all Together" Sheet and then begin to look at the common themes. Where you see overlap in giftings, values, & experiences, you will begin to see your "Chazown," God's Vision for your life in serving Him!
- Resource Sheet/Open Ended Survey – These are the materials that might be helpful for you if you want to go even deeper in this journey!

THERE ARE ADVENTURES AND SURPRISES THAT AWAIT YOU, IF YOU WILL OPEN YOURSELF UP TO DISCOVERING GOD'S PLANS & PURPOSES FOR YOUR LIFE!

Sweet Blessings,
